Message from THE CHAIRMAN

"Quality of life actually begins at home"

Bir-Muktijoddha Aminul Islam Sarker, Chairman, Mutual Group.

Dhaka is going to be one of the mega cities in the world . Undoubtedly, number of inhabitants increases rapidly day by day. Simultaneously, an increasing number of people are required an increased number of residences in urban life. Although the government is trying to put its best efforts to solve the housing problems in the city, nevertheless, initiatives are inadequate in numbers. For example, many plots and flats are being allotted and developed by the Government (RAJUK) are mentionable. Nevertheless, Government's initiatives are inadequate and limited in response to the huge demand. To fulfill the demand, the private real estate sector are playing role an admirable role. In Bangladesh, the development in real estate sector has been started, and continue perpetually and endlessly. In this way, Dhaka will be an artistic, clean and green city. Moreover, development will expand to others' metropolitan and even to the district cities. Consequently, Bangladesh will be a richer, prosperous and developed nation in the years to come.

PROFILE

Mr. Aminul Islam Sarker was a Bir Muktijoddha in the Liberation War of Bangladesh in 1971. He fought against Pakistani Army and Rajakar Bahini at Sector-7 under the Bangladesh Liberation Force (BLF). Now Mr. Aminul Islam is a professional businessman, entrepreneur, and industrialist. He was born in a business family at Parbatipur in Dinajpur district. His father was also a renowned businessman in Leather Industry sector. Mr. Sarker completed his graduation and Masters from the Department of Sociology, University of Dhaka. Mr. Sarker started his career as an entrepreneur by establishing the 'ARAM' Chemical Industries Ltd. From 1985 to 2000, ARAM Chemical was one of the popular coconut oil company in Bangladesh. Later on, Mr. Aminul Islam shifted his business concentration to developing and real estate sector. By the name of Mutual Property Limited, Mr. Sarker developed many residential and commercial projects. Location of the developed projects includes Gulshan, Banani, Baridhara, Dhanmondi, Uttara, Eskaton and Mohammadpur. In 2012, Mr. Sarker gained new interest to expand his business to the Garments sector, and established 'Mutual Apparels Limited'. Currently, Mutual Apparels Limited has its factory at Garipur in Ashulia, Dhaka. Based on the necessity, Mr. Sarker felt the need to develop a washing plants relating to the Garments. Accordingly, he inaugurated an international standard 'washing plant' adjacent to the garment factory. Currently, Sarker realizes that innovation, dynamism, and elegance are the key terms in the twenty first century in the real estate market. Thus, he establishes a sister concern, namely, 'Mutual Living Limited', only for exclusive, stylish, artistic and aristocratic building development in the metropolis.

MANAGEMENT ASSOCIATES

We work together as a team to achieve the common goals and objectives. We believe that teamwork is the cutting-edge fuel to achieve unattainable goals. We believe in our employees, applaud their efforts, acknowledge their contribution, and motivate to move forward.

CORPORATE SOCIAL RESPONSIBILITIES

COMMITTED TO SOCIETY NATURE & EARTH

Mutual considered 'Corporate Social Responsibilities' (CSR) as social commitment, and self-regulated accountability mechanism - to itself, its stakeholders, and the society - as a whole. Examples of our CSR activities:

- Specific donations for charitable activities;
- Well-designed buildings which improve quality of life and well being;
- Environmental friendly construction and construction materials;
- Minimizing waste, recycling and energy efficiency;
- Offering a healthy, flexible and innovative work environment that enhances the well-being of our employees;
- Strive to minimize the environmental impact of our operations and improve on efficient use of resources.

Mutual Living Limited is a Private Limited Company, registered with the Office of Register of Joint Stock Companies and Firms. Originally, the company started its business by the name Mutual Property Limited in the late 1990s. The Mutual Living Limited is working to develop and deliver high end and quality apartments to the prospective buyers. And in connection with these, Mutual set its mission, vision and goal of the company. Thus, product of Mutual is highly sophisticated, and located in the planned area including Baridhara, Gulshan, Banani, Dhanmoni and Uttara. Over the last 15 years Mutual handed over many finished and quality products to city dwellers on time.

Although Mutual started with only 01 (one) project in the late 1990s, however, till to the date, it handed over more than 30 projects. Even though, the figure is less promising, however, the main reasons behind are strict control of quality, targeted location, and excessive standard maintenance during construction. Currently, Mutual has 05 (five) ongoing projects In doing business. Mutual always maintains good relationship with the landowners, clients, contractors, architect, and laymen. Good relationship and effective communication are the success key in business for mutual which led the company an apex level of success.

In construction, Mutual always gives the preferences to the workers and employees health and safety issues. Thus, Mutual has a strong management and technical core team to deliver quality apartments. In addition, Mutual has a strong client bank from different professions, such as: Businessman, Doctors, Engineers, Professors, and so on.

Mutual participated in the REHAB fair in every year from the last 10 years. In addition, Mutual participated Real Estate fair in Malaysia, Dubai, New York, Singapore and Los Angles. Thus, Mutual received many certificates and awards from different organizing and hosting agencies. In addition, Mutual sponsors many charitable organizations, and socio-cultural programme from corporate social responsibility point of view. Thus, many papers and magazines reported MUTUAL success story and its contribution in the real estate sector.

Currently Mutual has a strong team of Architects, Engineers, Land and Development, Marketing and Sales. All these teams are closely and actively monitor and supervise by the Board of Directors, Managing Director and Chairman. For the quality control strategy, Mutual has become a name of reliance in the real estate realm.
